THE CARDINAL

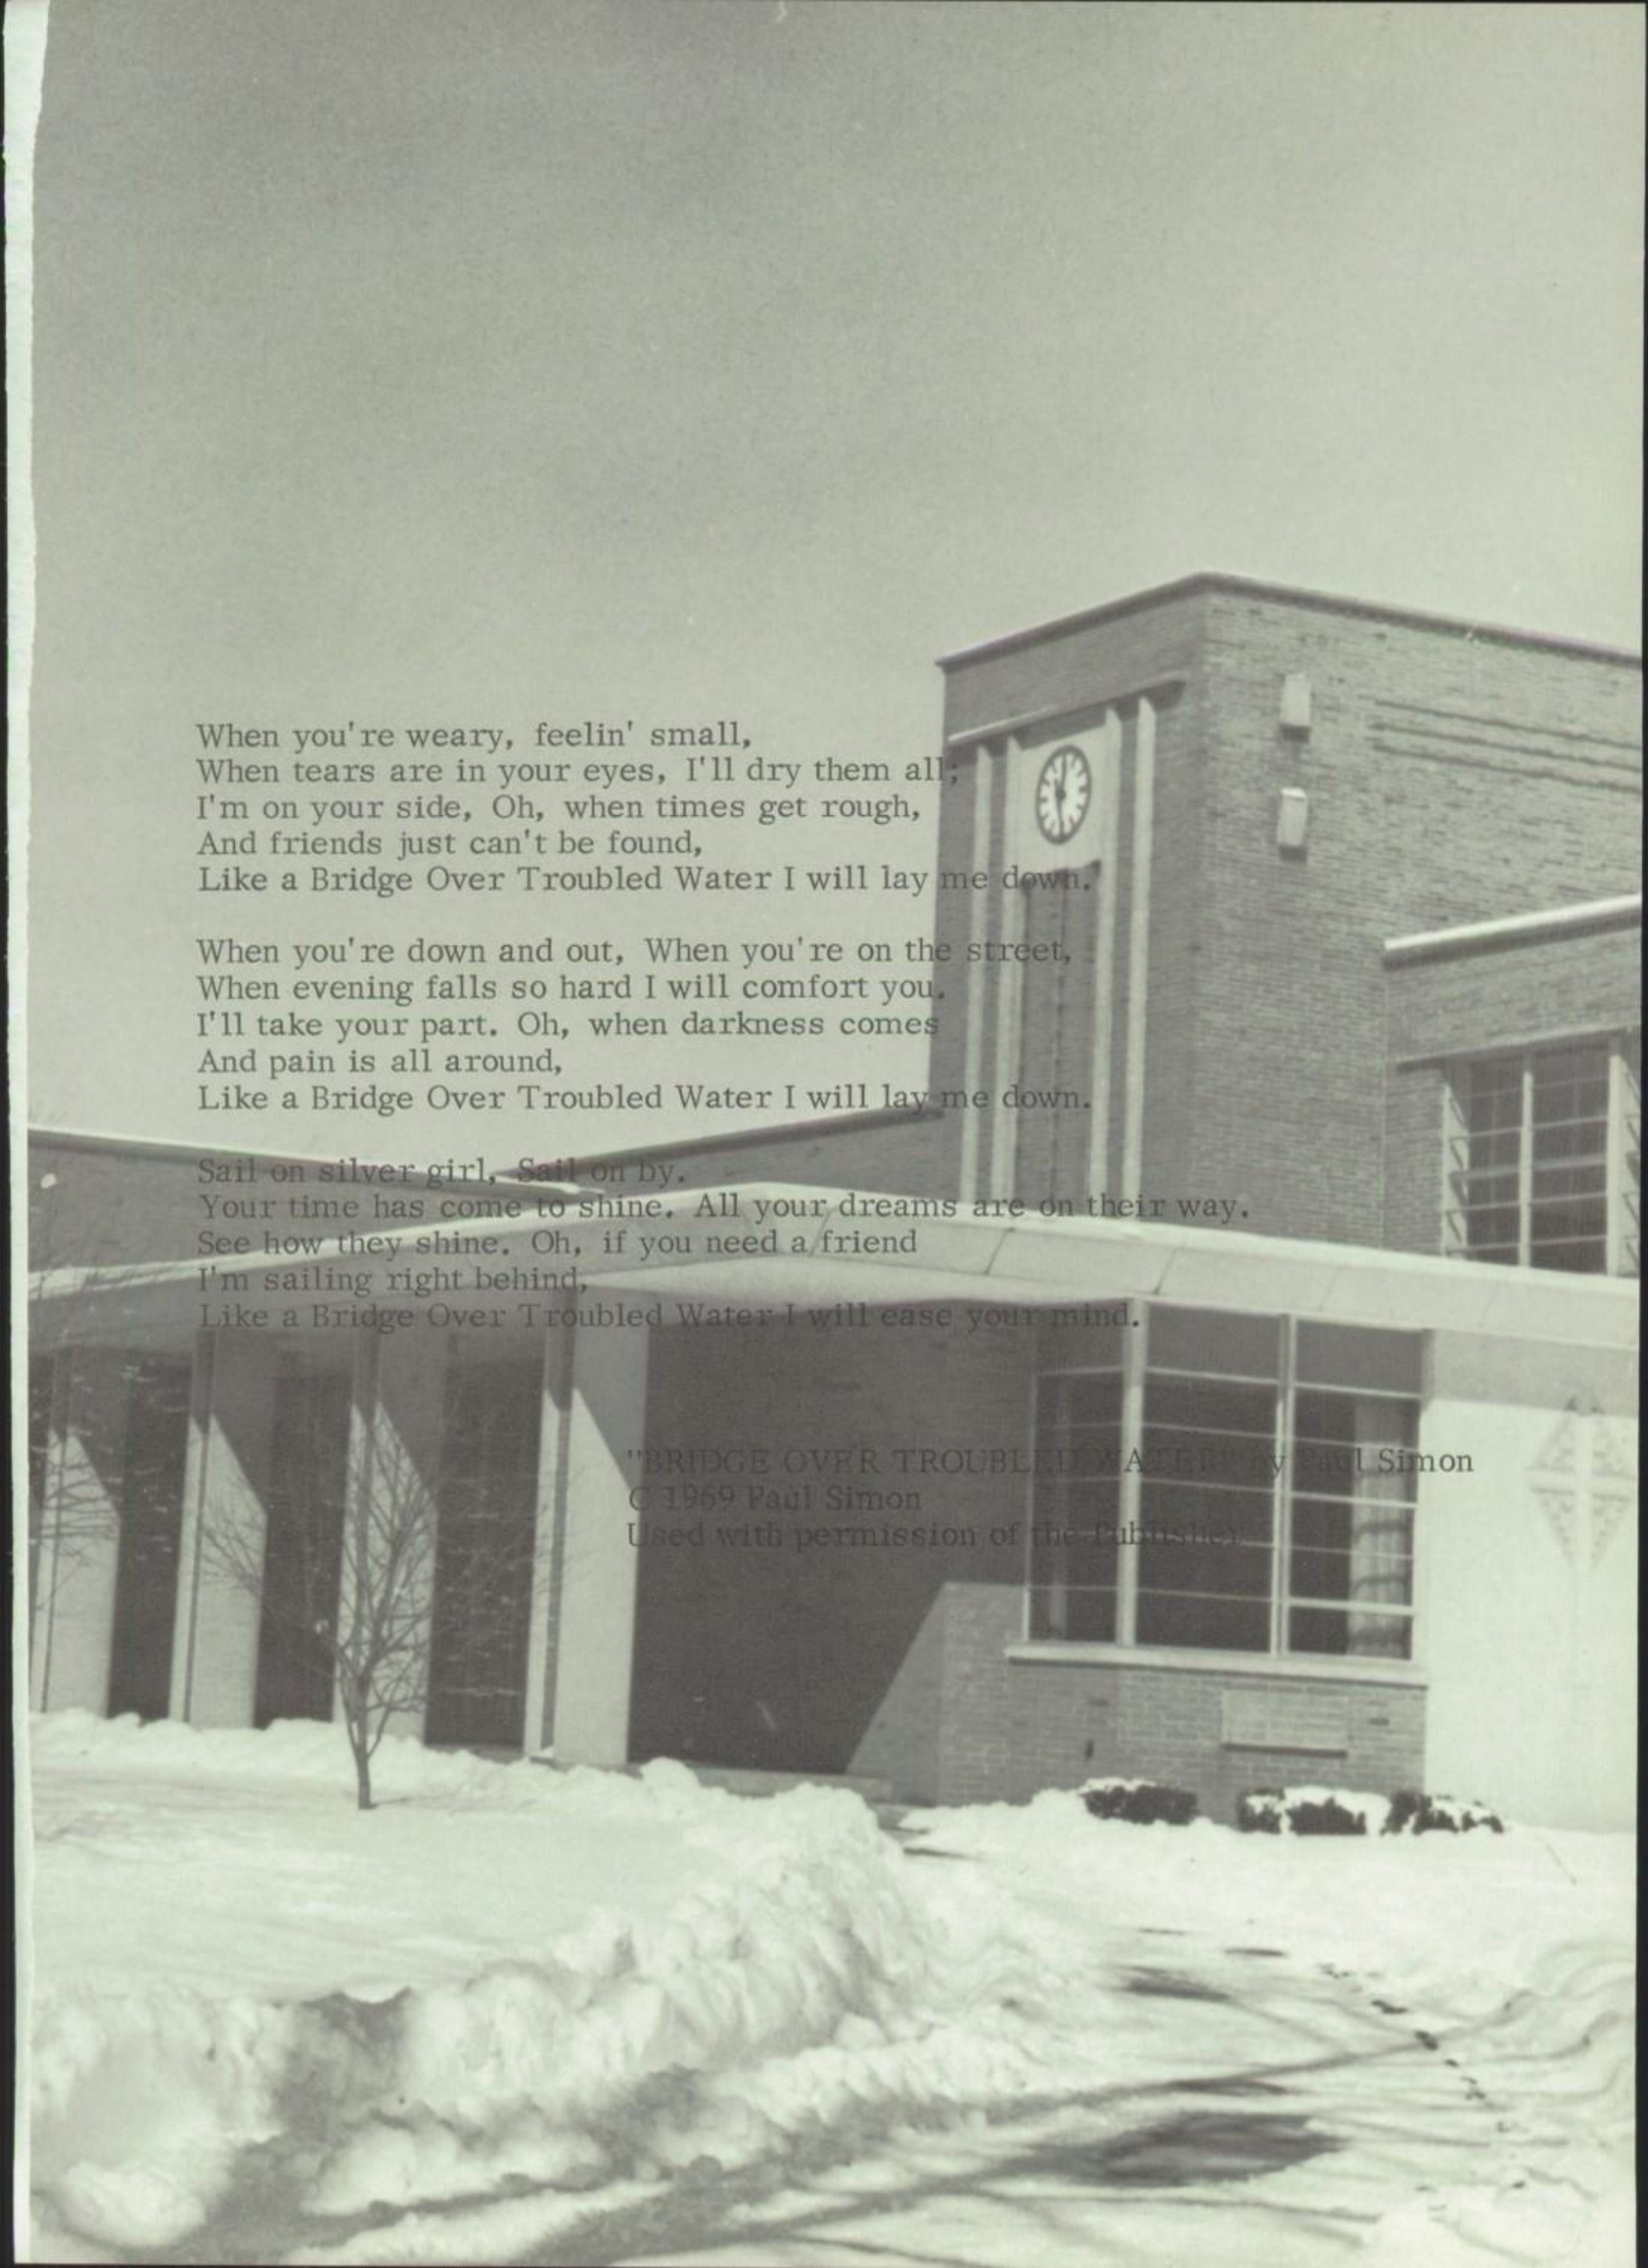
Compliments
of
Michigan Lutheran Seminary



When you're weary, feelin' small,
When tears are in your eyes, I'll dry them all;
I'm on your side, Oh, when times get rough,
And friends just can't be found,
Like a Bridge Over Troubled Water I will lay me down.

When you're down and out, When you're on the street,
When evening falls so hard I will comfort you.
I'll take your part. Oh, when darkness comes
And pain is all around,
Like a Bridge Over Troubled Water I will lay me down.

Sail on silver girl, Sail on by.
Your time has come to shine. All your dreams are on their way.
See how they shine. Oh, if you need a friend
I'm sailing right behind,
Like a Bridge Over Troubled Water I will ease your mind.

THE CARDINAL YEARBOOK

SAGINAW, MICHIGAN
1970-1971

PROF. LOREN DIETRICH

Though relatively new to the M. L. S. faculty, Coach Dietrich has made quite an impression on all of Seminary through his excellent work as our football coach. It is for this reason that we have chosen to dedicate the 1971 Cardinal to him.

Through his hard work, new ideas and great loyalty, our team ended the season as Area Champs.

Coach was born in Saginaw, attended Arthur Hill High School and Central Michigan University.

Aside from coaching, he teaches Biology, and Phy. Ed., heads the Intramural program and is active as everyone's friend.

We wish coach all of God's blessings in his future at M. L. S.

Homecoming 1970

M. L. S. defeated Sheperd to win Homecoming 1970 for Queen Suzanne and her court. It was a joyous occasion.

This year's ninety-five Freshmen were formally initiated in the annual welcoming party sponsored by the Planning Board. Their fears, instilled by the upperclassmen, quickly vanished when the fun began. A king and queen were chosen to reign over the festivities. They are undoubtedly looking forward to next year's initiation.

KLEMENT PRESS

Merry Christmas!

This year, December brought with it snow, cold, and the annual Christmas party and concert. Everyone was well entertained at both the party and concert. The Madrigals, choir, chorus, and band performed at the Concert. Of course everyone was glad to see Christmas vacation come.

Flute soloists performing.

Professor Buch introduces the next selection.

Music in the Round

This year's new band director, Professor Buch, brought with him many new ideas which were used in this year's concert. The band performed on the gym floor rather than the stage. Flute, clarinet, and trumpet solos were included. There was a good turnout for this fine concert. We look forward to many more such entertaining performances here at Seminary.

Guest Band: Grade schoolers from Owosso.

This year's school play was "The Life and Death of Larry Benson". It was well directed by Prof. Holtz and a student director. There was a good turnout for both performances.

The Life and Death of Larry Benson

The story centered around the Benson family whose son, Larry Benson, was returning from being lost in action for several years. The drama heightens when the boy returns but to everyone's surprise it is not Larry but a stranger, Danny Holmes.

This year's athletes received their awards at the annual Sports Banquet, held on April 2. Although the attendance was smaller than past years, the Banquet was a success. Bill Kelly captivated his audience with many humorous anecdotes.

Arbor Day was celebrated earlier this year than in the past, but the day was warm and the students co-operative. The school grounds, buildings, dormitories, and the Profs. houses were all given a good spring cleaning. Let's hope this fine tradition remains for a long time at Seminary.

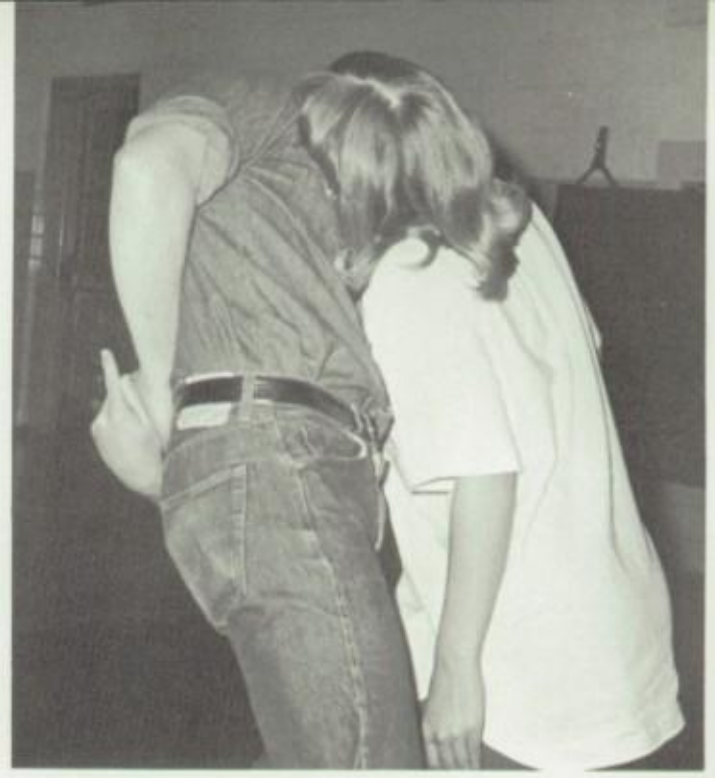
Farewell Seniors!



Tribute to a Senior

I've got two big blue eyes and real long brown hair,
I'd say I'm about five feet and a half.
The thing I like best is being able to laugh.
I own a baton and can twirl it real well.
When you watch me twirl you'll be able to tell.
I even wear the tallest hat
I'm the captain, no bragg, just fact.
Now look around, you'll find I'm not there.
I'll be somewhere else, stuck in a chair.
But my thoughts will be with you, in all that you do
And with these few small words I'll say my adieu.

A Book of Memories . . .

Efficiency through industry. . .

The Annual Staff

From the opening of September, until the closing of June, the Annual Staff is busily working to record the events of the year.

Through both word and picture, this staff recaptures the highlights of a Seminary schoolyear.

The addition of a photographer lightened the load somewhat, and with the help of a former Yearbook editor (Prof. Buch) the Staff was on its way.

A book of memories, a living reminder of times gone by-this is what the 1971 Cardinal had as it's goal.

The Student Council

The voice of the students, the sound of the many...The Student Council serves many important functions in and with the student body, the most important of which is - listening and mediating.

The other duties should not, however, go unnoticed. The lost & Found, the Mission Collections, and the newest addition R.U.R.C. are all appointed and supported by Student Council.

The Courtesy Committee (PICTURED BELOW) is composed of six Seniors, whose job it is to escort the many visitors to the Seminary. The Student Council may well be the most called upon organization on campus.

The Student-Union Game Room Committee is a disciplinary organization, whose job it is to keep these areas clean.

It is this group who has the sometimes very difficult job of 'inspiring' students to take better care of the furniture and games.

The Council has several methods of curbing the abuses to the facilities.

They may seem a little rough at times, but we all appreciate a clean Student Union.

Aside from selling tickets for games, our Athletic Council does much to promote a desire for the teams self-improvement.

MLS BAND

Quality, not quantity...

Though the Band has only 25 members, its sound is not at all lacking.

The Band was under the direction of Prof. M. Buch. He did a very fine job with this group.

The Band performed for both Football and Basketball, for the Christmas Concert, Music in the Round and Commencement.

As an added sidelight, it took a trip to Wisconsin, to participate in the National Band Festival. The trip was both rewarding and fun, and its fruits are very obvious.

The Band has determination, talent and a great sound.

As the picture at the left indicates, the Forensics members are doing all in their power to encourage others to join them.

This year they have expanded their field with the addition of a new category: Interpertive Storytelling.

Besides being fun, Forensics gives the student the experience of public speaking, and a chance at worthwhile self-expression.

This Staff does a very good job of vital importance, namely keeping the student body on top of the news.

The Planning Board

When the weekend looks a little dead, and the students are getting bored, the Planning Board moves into action.

This group is responsible for welcoming the Freshman to the Seminary.

Some of the regular jobs they perform are: Planning the Christmas party, the Talent Show, and Senior Farewell.

This year they also sponsored a Volleyball party and a Saturday night movie.

Aside from these regular functions, the Planning Board has broadened its field of endeavor. The first new idea was the popcorn machine, pictured at the RIGHT.

The machine was a large investment, but it has nearly paid for itself. The second new idea was the rental of bicycles, The Board bought 10 bicycles, available any time for student rental. (RIGHT) The Student body is very grateful to this group!

The Seniors took a week out of their busy schedules to visit our Synodical colleges.

We enjoyed such things as N. W. C. 's Homecoming, and a play rehearsal at D. M. L. C. We were also enlightened by a tour through Bethesda Lutheran Home.

The week proved to be a full but enjoyable one, (as you can readily see from the picutre at the right.) And we returned a tired, but wiser class.

Seniors Enjoy AAL — Sponsored College Tour.
